PC:

This is a frivolous petition unnecessarily drawn up at the instance of the petitioner on baseless averments that the office of the Gram Panchayat which was shifted two years ago on 6th March, is sought to be shifted again to the old building. The

resolution proposed is very clear. The meeting of the gram panchayat is called to take decision as to whether Gram Panchayat office should be shifted to new building or be kept in old building. It can simply be resolved that it be kept in the new building where it has already shifted. No petition for such purpose was necessary. Hence petition dismissed.
